After you logged, you can see the users lists in “Users’ menu.

<https://permits.pitdemo.in/sree/departments/users>

The screenshot shows a web browser at the URL <https://permits.pitdemo.in/sree/departments/users>. The application has a top navigation bar with the 'BANGUR BUILD SMART' logo and several menu items: Zones, Departments, HOD, Isolations, Users (highlighted), Contractors, SOP/WI, Checklists, and a welcome message 'Welcome superadmin'. Below the navigation bar, the page title is 'Users / Department Users'. There is a search bar and a 'Create' button. The main content area displays a table of users with the following columns: EMP ID, Name, Mobile no, Username, Plant Type, Isolator, Is HOD, Is Section Head, Mobile App, Status, and Action. The table contains 10 rows of user data, all with a status of 'Active'.

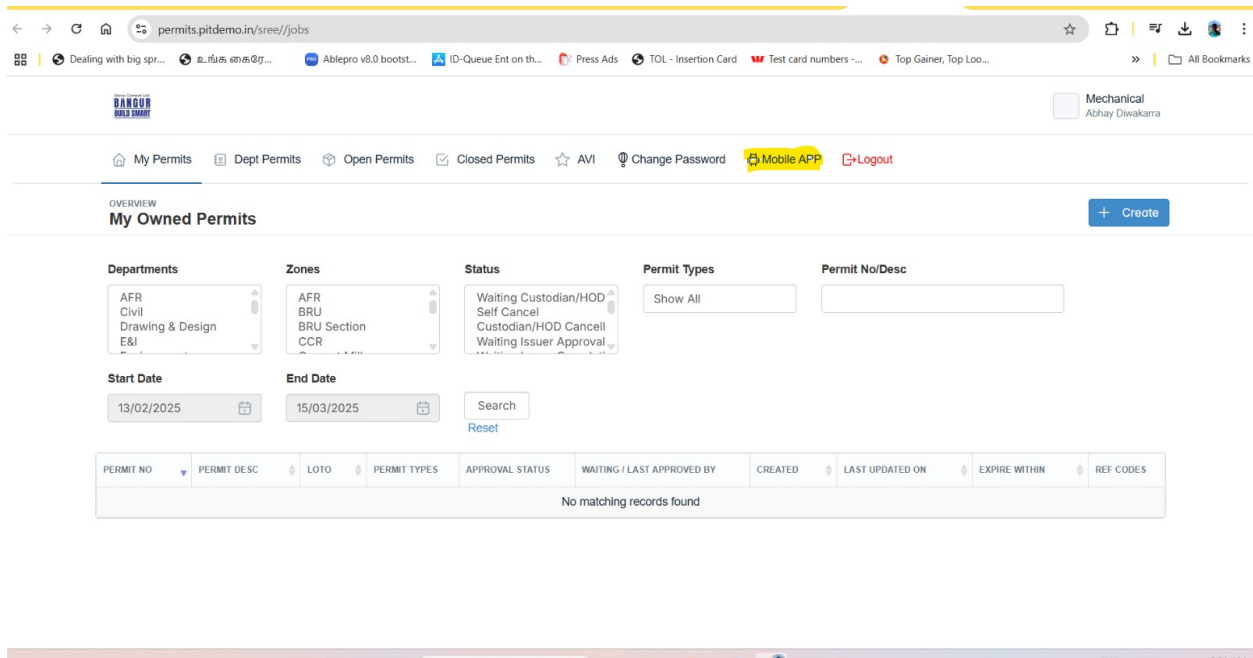

EMP ID	Name	Mobile no	Username	Plant Type	Isolator	Is HOD	Is Section Head	Mobile App	Status	Action
20166	Abhay Diwakarra	9028613451	abhay.charpe@shreecement.com	Cement	Yes	Yes	No	Yes	Active	Edit Login as user
17958	Abhay Pratap Si	7727002216	abhay.rathore@shreecement.com	Cement	Yes	No	No	No	Active	Edit Login as user
20026	Abhimanyu Singh	7339762292	abhimanyu.singh@shreecement.com	Cement	No	No	No	No	Active	Edit Login as user
18371	Abhimanyu Singh	8875210222	abhimanyu.bhati@shreecement.com	Cement	Yes	No	No	No	Active	Edit Login as user

To install an APK on an Android device:

1. Enable Unknown Sources (Only for Android 7 and below):

Go to Settings > Security > Enable Unknown Sources.

2. Download the APK:

10:10

54%

ermits.pitdemo.in

31

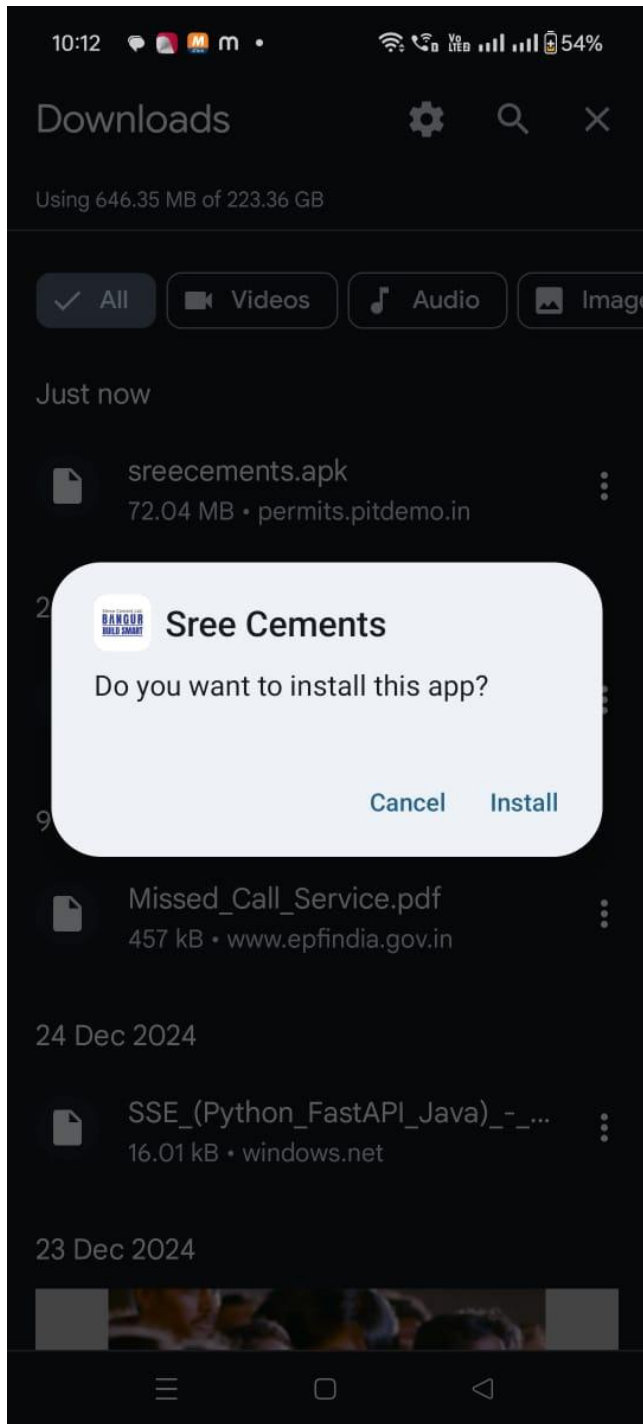

File downloaded

(68.70 MB) permits.pitdemo.in

Open

3. Install the APK:

Instead of "Unknown Sources," allow installation from the specific app (like Chrome or File Manager) when prompted. Done! The app should now be installed.

Once, you click on the icon, it will ask the username and password. Once, you given the valid credentials, you can start to access the mobile app.
